Subject: Surface Water Sampling: 03/29/19
Date: Friday, March 29, 2019 10:12:40 PM

Steve,

START collected a total of 11 water samples (including one duplicate sample) on 03/29/2019 for chemical analysis. The water samples were collected from the same locations as yesterday. If you have questions, or need any additional information, just let me know.

Regards,

Steve Cowan, START-IV
